B. RAMASWAMAIYA, Esq., B.A., B.L.,
Offg: Chief Secretary to the Government of
His Highness the Maharaja of Mysore, BANGALORE.

Sir,

I have the honour to state that in accordance with Government Order No: 2410-11/P.&.S. 47-21-2, dated the 29th November 1921, Pie money is being deducted from the wages of piecework compositors at 6 pies in the rupee and the collections so made are being distributed among 25 pie boys every month. A statement showing the amount collected and distributed in each month last year is enclosed for favour of perusal.

It will be seen that the pie money collections vary every month according to the variation in the piecework wages of the compositors. Consequently, the wages paid to each boy also undergo variation each month giving room to complaints from the boys on account of lack of fixity in the wages received by them.

The Controller of Printing with the Government of India states that in the Government of India Press, the pie money collections are credited to the Treasury and the men are paid by piecework or fixed wages. But as we have little boys in our Press who do the sorting of Pie, it is not either possible or necessary to pay them by the piece. They may be paid at fixed wages ranging from Rs. 3/- to Rs. 7/- according

(6)

to seniority.

I therefore beg to propose that the pie money collected every month which amounts to about Rs. 65/- on an average may be ordered to be credited to the Treasury and the pie boys of the Government Press paid at a fixed wage varying from Rs. 3/- to Rs. 7/- the total wages so paid not exceeding Rs. 65/- per month which may be debited to the piecework allotment of the Government Press

This measure will ensure fixity of wages to the boys and will not involve extra cost and I therefore request that this arrangement may be kindly sanctioned at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent,
Government Printing.

Sir,

With reference to your letter No. 243 dt. 16-7-25 regarding the question of engaging the pie boys on fixed wages ranging from Rs 3 to Rs 7 I am directed to enquire how the proposal, can be worked out ~~without~~ Pay from Rs 3 to 7 fixed wages without Considerably reducing the number of pie boys engaged; as the cost would work out to Rs 75/- per mensem against Rs 65/- proposed by you; even if the 25 boys now on the staff are started on the minimum wage of Rs 3/- proposed.

Sir,

With reference to your letter No: G. 833/P.&.S. 10-25-2, dated the 30th July 1925, regarding the question of engaging the Pie boys on fixed wages, I have the honour to state that the present large number of 25 boys is not necessary and that it may be reduced to 15 without prejudice either to the work or to the boys who will be displaced, who will be continued as volunteers and absorbed as vacancies occur. At

(10)

present, the money is distributed among a large number of boys many of whom have to be content with a wage of just over a rupee per month, the deprivation of which will not affect them one way or the other. The Pie establishment may be paid on fixed wages ranging from Rs. 3/- to Rs. 7/- according to seniority on the following scale:--
